

NCR EasyPoint™ 3800

With Shared Branching

Would you like to improve customer service levels?

YES

More transactions in more locations

Created in partnership with Ensenta Corporation, the NCR EasyPoint 3800 is an affordable, compact, high-quality and ultra-reliable multifunction ATM. The NCR EasyPoint 3800 with Shared Branching links Credit Unions together, making ATM transactions available to everyone. Customers, whether they're your own members or not, can conduct a full range of transactions even when using an NCR EasyPoint 3800 at another participating Shared Branching Credit Union.

- **Greater opportunities**

The NCR EasyPoint 3800 provides increased revenue through ATM transactions and cross-marketing and advertising via on-screen ads.

- **Reduce operating costs**

Lower maintenance costs, together with a reduction in teller lines and staffing levels, means greater affordability for your Credit Union.

- **Benefit from Check 21 capabilities**

A fully Check 21-enabled platform delivers faster, more efficient processing and image capture technology across an enviable transaction set, providing the security and reassurance of back-office processing.

- **Designed for the customer**

For your customers, the NCR EasyPoint 3800 means the ultimate in flexibility and convenience. An informative, verifiable and easy-to-read screen makes it simple to use across every transaction they could ever need.

- **Increased reliability**

Unrivalled reliability, backed up by an outstanding warranty program, means the NCR EasyPoint 3800 can deliver 24/7 availability.
