

NCR Personas™ 71

Looking for an ATM that can
be deployed anywhere?

YES

The most versatile cash dispense ATM on the market

NCR Personas 71 is a unique and innovative cash dispense solution. As a compact, fully weatherized solution, it can be deployed in any indoor or outdoor location, e.g., fuel stations, stores, shopping malls, city centers, railway stations, and concert venues. NCR Personas 71 is ideal for both financial institutions and independent deployers, as an attractive, highly flexible solution that will complement your existing ATM portfolio.

- **Easy to deploy in any location**

Available as a walk-up or drive-up solution, NCR Personas 71 is easy and cost-effective to deploy and, if required, move from site to site ensuring you achieve maximum transaction volumes and revenues.

- **Low total cost of ownership**

With performance equivalent to traditional through-the-wall ATMs but at a lower cost and hence breakeven point, NCR Personas 71 opens up new business and deployment opportunities, such as event-based or temporary deployments.

- **Increased availability**

With NCR's proven Personas technology and global service support, NCR Personas 71 provides maximum availability and convenience to your customers around the clock.

- **Security your customers can trust**

NCR Personas 71 has been designed for maximum security in remote locations by using the latest security technology, including Intelligent Cash Protection ink-staining and countermeasures to ATM fraud.

- **Attract more customers**

Branding and advertising with bespoke ATM wraps, on-screen advertising and targeted campaigns with the power of APTRA™ software can create awareness and drive additional revenue in any location.
